## Shirley Ann Vaughn 1931-2006

It is with heavy hearts that we announce the passing of Shirley Ann Vaughn, 75, who died Sunday, December 3, at the University of Kansas Hospital in Kansas City, Kansas. She had worked as a fraternity house mother for 30 years and most recently was House Mom for Delta Upsilon's Kansas Chapter.

University of Kansas Chancellor Robert Hemenway offered the following statement in response to her death,

"With great care and wisdom, Shirley Vaughn helped guide the personal and academic lives of the young men who were in her charge. In her three decades of service to KU, she touched the lives of thousands of students. On behalf of the entire university community, I offer deep condolences to Shirley's family and friends."

Delta Upsilon Fraternity expresses its sympathy to her friends, family, and all who knew her.
