

# The 2005-06 DUEF Scholarships

The 2005-2006 DUEF Scholarship Program was complete with the announcements of the 2006 scholarship recipients during the Foundation Luncheon on Saturday, August 5, 2006.

Through the continued generosity of Delta Upsilon alumni and undergraduates, one scholarship each was added to both the McQuaid Scholarships and the Oak Circle Scholarships this past year, raising the number of academic scholarships provided by the DUEF for these awards from five to seven. ## Maury Mandel Scholarship Established

During the Foundation's luncheon at this past Leadership Institute, Chairman Steve Rowley announced the establishment of the Maury Mandel Scholarship Fund with an initial gift of \$100,000. This permanently restricted fund will benefit undergraduate brothers through scholarship in the area of leadership development. This fund is a tribute to Maury Mandel, *Chicago '55* for the many years of service to Delta Upsilon. Over the years, Brother Mandel served his chapter as undergraduate chapter president and a member of the alumni board. He is a past member of the Fraternity's Board of Directors and current member of the Foundation's Board of Trustees, and is one of only four men to have been chairman of both boards. But maybe as important as anything has been his long-time involvement as the investment manager for DU. He is a 2001 recipient of the Fraternity's highest honor, the DU Distinguished Alumni Award. Maury became a member of the investment committee back in 1977 and over that time, his pro-bono investment management for both the Fraternity and Foundation remain an unparalleled benefit to our Brotherhood. Just this past spring, Brother Mandel retired from business life--relinquishing those investment duties. The Maury Mandel Scholarships will enable DU to continue to build better men.

In addition to the academic scholarships, 2006 marked the second year that the Leadership Institute Scholarships were provided, thanks to alumni who have generously given through the *A New Chapter in Leadership* campaign. Alumni from various chapters have provided gifts through the DUEF to provide an endowment for their chapter to have one additional delegate each year attend the Leadership Institute. This year, 17 DU undergraduates were able to take advantage of this funding. The following is a list of this year's chapter scholarship recipients as well as the donor or scholarship that made it possible.
