

# President's Club

"I could not begin to repay all I have gotten from my membership in Delta Upsilon. From my attendance at Fraternity conferences, I witness our many fine undergraduate Brothers who benefit from the work of the Foundation, and realize that our Fraternity is in good hands. I truly believe in the core principals and values of the Fraternity, and feel it important to support financially." Robert S. Lannin, *Nebraska '81*

Started over 30 years ago by then-President W. Donald Watkins, *North Carolina '27*, the President's Club honors all donors who within a fiscal year gift a total of \$200 or more to the annual fund. In the 2005-06 fiscal year, we eclipsed our goal by having over 550 Brothers attain membership in the Club!

Members of the 2007 President's Club will receive a new annual "year" pin with each renewal, and various benefits and advance notice of special events as applicable.

Help us to reach a goal of 600+ President's Club members this year by planning to renew or join by June 30, 2007!

We take great pride in recognizing the more than 550 donors who joined the President's Club in 2005-06 and we thank them for their leadership and support! Over 100 Brothers joined the President's Trust with fiscal year gifts totaling \$500 or more.
