## A New Chapter in Leadership: The Campaign for Delta Upsilon

In 2004, the Delta Upsilon Educational Foundation embarked upon a three-year, comprehensive fundraising campaign to secure the future of its undergraduate leadership programming – particularly at the chapter level. With the help of alumni and friends, the Foundation expects to raise over \$2 million in pledges and gifts in support of chapter leadership programming, training and development. This goal will allow Delta Upsilon to provide 80-100 chapter leadership scholarships, thus increasing undergraduate attendance at DU's impactful leadership programs such as the Leadership Institute. The following is a list of donors thus far to the campaign. If you have not already become a part of this important effort, we invite you to join *A New Chapter in Leadership: The Campaign for Delta Upsilon*.
