

Bucknell Chapter

The Fraternity Headquarters has announced the newest Colony of Delta Upsilon at Bucknell University. The ceremony was held on Saturday, September 9 in the Elaine Langone Center on campus and was attended by

Bucknell alumni, IFC, PanHellenic, Lafayette Chapter members, and Chairman of the Fraternity Bill Messick. The Colony is an outstanding group of young men and represent the community and Delta Upsilon very well. They are also growing daily, as they have just added six more members. They are well supported by the Greek Community, the Office of Fraternity and Sorority Affairs, and the chapter's Alumni.

The next step for this group, besides continual growth, is Initiation, which could be late this semester, or early next semester. Then there will be the re-installation/activation of the Bucknell Charter, formally bringing Bucknell back to the Chapter Roll.

Thanks to all of the hard work and time given by the dedicated Bucknell Alumni.

Central Florida Chapter

The *Quarterly* has received a copy of the letter from the Boys & Girls Clubs of Central Florida acknowledging the contribution of \$2,500 from the UCF Delta Upsilon Alumni Association. The letter states: "Your support allows us to provide critical services to the children of our communities and to continue our vision which began over 60 years ago, to inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible and caring citizens."

Kudos to the alumni and undergraduates for their involvement in and support of the Boys & Girls Clubs activities.

Indiana Chapter

The spring semester was an exciting time for Indiana DUs. They won the Intramural Cup among all fraternities with close competitions at times. The GPA for the spring semester was #1 with 2.985, including four members with a 4.0: Kris Renzi, David Szaranski, Brian Tabbert, and Kevin Schmitt.

"Kiss-Off" was again a big success. Co-hosted on April 1 with Alpha Omicron Pi, 28 people were chosen by raffle to kiss the Ford Mustang. At the end of the competition, Chris Medlyn wearily (but happily) accepted the keys to the prize.

On April 22, the DU Bike Team took to the track at Bill Armstrong Stadium for the 56th annual Little 500. The team performed exceptionally well and came in 6th. DU finished third last year and hopes are for a strong finish in 2007 – hopefully first place!

Kent State Chapter

It was announced by John Nemeth '67 of the Sovchik Scholarship Committee that Sean Groves '08 and Ross Miltner '07 had each been awarded \$600.

Brother Groves, a Finance major from New Philadelphia, had a 3.186 cumulative GPA. He was active in the chapter serving as treasurer last year, was a senator in the Student Senate and currently serves as the Student Senate Allocations Committee Chair.

Brother Miltner, a Communication Studies major from Massillon had a cumulative GPA of 3.118. He likewise was very active in the chapter, was a senator and now is Executive Director of the KSU Student Senate.

The annual Sovchik Scholarship is funded by interest earned by an endowment held by the Delta Upsilon Educational Foundation. It honors Robert J. "Bob" Sovchik '67 who was an out-standing mathematics scholar and active brother, who went on to a teaching career at the University of Akron. He died suddenly several years ago, and many have contributed to the fund.

North Florida Interest Group

The DUs had their first event against another fraternity (Kappa Alpha) which was a soccer competition and DU won 8-0! About 40 men, (interest group members and potential members) participated in the recruitment-wrap event.

Pace Chapter

The DU Pace Chapter is always looking for ways to do positive things for the community. From Campus Clean-ups to Take Back the Night to the Boys & Girls Club, DUs are very involved in the campus activities and the neighboring community. They enlist the support and involvement of other clubs, organizations, and Greek organizations in their projects, with great success.

A comparatively new project is Adopt-a-Highway (Route 119). The men clean it every three months and have the DU letters posted along this major road so every Pace student can see that DU is involved and cares.
