

Manitoba Chapter

Manitoba DUs in conjunction with Alpha Delta Pi decided to ride the teeter totter for a full 72 hours. Starting on Tuesday, September 6 at noon and not stopping until Friday, September 9 at noon, both organizations were able to raise a grand total of \$2,000. The proceeds were then divided between the two official charities, the Boys & Girls Club of Manitoba and the Ronald McDonald House. Full media coverage was given by local news agency and newspapers.

Fall 2005 marked the first time the men of Delta Upsilon entered the Pumper Pull. Planned by esteemed alumnus, Matthew

Berven '01, 10 undergraduate DUs showed up at the Forks Market Grounds on the afternoon of September 25 to pull an old fire truck for charity. Twenty other teams also showed up to pull the fire truck. All proceeds raised by the teams went directly to the Boys & Girls Club of Manitoba. While the DU team didn't fare too well, all brothers who attended this year plan to come back again next year to dominate the event.

Missouri Chapter

At the University of Missouri's annual Greek Honors Night April 27, the DU Chapter won the top overall award, the Excellence Cup. This award is given to the chapter that exhibits the best overall combination of scholarship, service and philanthropy, leadership, and programming.

The chapter was runner-up in the leadership category and received special mention in a variety of other areas.

North Dakota Chapter

On March 26, 2006 the members of North Dakota Chapter hosted a joint philanthropic spaghetti feed with the brothers of neighboring fraternity Pi Kappa Phi. Flyers were passed around the Greek community sending an open invitation to every Greek house in the community. Many of the houses came to show their support for both of our causes. The event brought in around \$350 and the money that was raised went to the American Cancer Society and Push America. There was a lot of team work involved and overall it was a very fun time.

North Carolina Chapter

The North Carolina Chapter of Delta Upsilon Fraternity held their First Annual Faculty Appreciation Dinner on April 10, 2006. During the event, the Chapter presented the Professor Stanley Black Award for Outstanding Faculty Member – named after the chapter's faculty advisor – to UNC Economics Professor Ralph

Byrns. Also nominated for this honor were Professor Zlatko Plese (Religious Studies), Professor Donna LeFebvre (Political Science), and Professor Anne Hastings (Sociology).

In addition to the faculty awards, the Chapter also recognized members excelling in academic achievement. Evan Sloop was awarded the Dr. Arun Subramanian Award for Outstanding Scholastic Achievement. Awards were presented recognizing the highest GPA and those who made the Dean's List for Fall 2005.

North Dakota State Chapter

"One of the major objectives paramount in developing the Renaissance man, the DU Man, has been to anticipate life's major challenges and to prepare our brothers to meet them. Ever since President Bush declared the global war on terrorism, not only did America have to meet this new

unanticipated major challenge, but Delta Upsilon did as well. Therefore, we at North Dakota State DU decided to honor not only those who gave up time in their lives to serve in the Armed Forces, but also belong to the Brotherhood of Delta Upsilon International Fraternity.

"Some of our brothers have been or are still active in the military. The undergraduate brothers would like to thank those men serving in the Armed Forces, including Ryan Carroll, Mike Lindbo, Preston Dihle, Ben Lee, Scott Borg, Richard Gabe, Gary Saylor, Ben Hinsperger, and Aaron Rosenscrans."

Oklahoma Chapter

At the annual Fraternity & Sorority Life Awards Ceremony in April, Delta Upsilon won EVERY division: academics, chapter

programming, alumni relations, campus relations, community service, and fraternity & sorority life. No other fraternity out of the 19 groups on campus received honors for each division.

On top of that, Raylene Cossey, house mom for Oklahoma DU, received the award for Outstanding House Director.
