

Oregon Chapter

The brothers of the Oregon Chapter have been busy since the first day of the spring quarter. The new executive members participated in a transition retreat conducted by Dominic Greene '99, who is currently the Greek Advisor at the University of Washington. With Brother Greene's help, the men were able to develop goals for both the current term and the rest of the calendar year.

John Duncan, Oregon State '00, currently on the staff at the University of Oregon, facilitated a recruitment seminar for the younger members. On April 10, University President David Frohnmayer, initiated into DU in May 2001, spoke to the chapter and fielded questions on leadership, the University, and other topics.

The brothers also posted the third-best men's grades on campus for the winter quarter with a 3.15 GPA. With all of these positive events, the brothers are very motivated and are anticipating a strong summer and fall term recruitment.

Pacific Chapter

The newly installed Pacific Chapter of DU had a terrific year. DU gained half of the voting positions on the Inter-Fraternity Council, put on a Haunted House for the Boys & Girls Club of Stockton, and also had a Campus-Wide Jolly Rancher Social which taught the dangers and consequences of drugging drinks. The chapter had a great rush and celebrated its first year with a weekend Bro' Retreat in the Northern Californian Mountains along Feather River with off-roading, camping, marshmallows, and brotherhood! The men braved a huge storm and flooded tents but after that had beautiful weather and a great time. The Pacific DUs are proud to be a part of Delta Upsilon and look forward to next year!

Pennsylvania Chapter

The school year ended on a high note for the Pennsylvania Chapter. The final months of the spring semester featured successful events on all fronts, including a day of barbeque and sports with the Boys & Girls Club, a Brotherhood Formal at the Walnut Room establishment, and a lovely farewell dinner for the Class of 2006. The Fraternity also ended the year with new academic successes, having reached a 3.6/4.0 Brotherhood GPA for the first time in recent memory. Over half of the Brotherhood received academic honors from the Office of Fraternity and Sorority Affairs, and numerous members of the senior class won department

awards in areas as varied as History, Classical Studies, and Mechanical Engineering. All members of the Class of 2009 Pledge Class were successfully initiated and will take on important leadership positions in the fall. The men bid farewell to a strong senior class, but also welcomed a group of underclassmen with a unique sense of cohesion that will make the future years of Delta Upsilon Pennsylvania exciting!

San Jose Chapter

During the 2006 IFC Awards banquet the chapter and members received the following awards and honors: Highest GPA Fall 2005; Outstanding Scholarship Program 2005-06; Most Improved GPA; and the most improved Loss Prevention program.

The Outstanding IFC New Member award went to Brother Vahe Markosian '09. As a freshman he took 18 units

during the fall semester obtaining over a 3.500 while playing on the SJSU Water Polo team and also coaching a local high school water polo team. Vahe was also elected to the executive board as secretary after being initiated and has since been elected as VP-Scholarship for the Fall 2006 semester.

The Outstanding New IFC Executive Board Member award went to Brother Tyler Webb '08 who has served on the IFC Executive Board as the VP-Recruitment. Kevin Swanson '85 was selected as the Outstanding Chapter Advisor for the 2nd year in a row.

Wichita Chapter

Spring 2006 was the first time in over 10 years that the Wichita DUs set new ground with the campus and the Greek community. The men teamed up with Sigma Alpha Epsilon and Gamma Phi Beta to put on a skit for the campus yearly acting competition - Hippodrome. They spent over five months working on the script and play and came up with a very successful performance. Viet Phan '08 took the lead role as Randy Wong who throughout the play was being molded into a star by the help of three Greek muses. The group placed third placed overall and set milestone for future competition in Hippodrome.
