In addition, our undergraduate brothers will be able to apply for DUEF scholarships easier than ever before! Our new home on the web is a terrific resource for every member who values DU's educational mission. Visit us soon and often either by visiting [www.DUEF.org](http://www.DUEF.org) or clicking the "Educational Foundation" link from the Fraternity's website, [www.DeltaU.org](http://www.DeltaU.org). We welcome your feedback!

We are extremely grateful to all DU brothers and friends who supported our fundraising efforts in the 2005-06 fiscal year. We are proud to be able to recognize each and every donor on the succeeding pages, and provide some highlights of this past fundraising year.

I would like to personally welcome Brother Craig Milkint, *Illinois '83* to the DUEF Board of Trustees as the newly elected Vice-President of Development. His leadership is already being felt and we look forward to his very adept leadership in the years ahead.

Our mission for the 2006-07 appeal is already underway and the call is out once again to all brothers: If you are listed on the succeeding pages, please continue with your loyal giving, you are truly making a difference. For those that have lapsed, or perhaps you have not ever given, please understand how important your participation really is. Please do not wait any longer. We are worthy of your support.

Fraternally,

Stephen K. Rowley, *Ohio '65*  
Chairman, DU Educational Foundation
