

Leave Your Legacy and Preserve Your Name for Posterity!

"I have sought to Build Better Men since the day I was initiated, and I shall do so until my inevitable day. By leaving a DU legacy in my estate, I have the opportunity to continue building the viability of DU after I am gone."

Allan A. Warrack, *Alberta '61*

Legacy Circle

The Legacy Circle was established in 2000 to honor living brothers who have listed the Delta Upsilon Educational Foundation as a beneficiary in their will, insurance policy, 401K, or other deferred giving instrument. The following is a list of brothers that notified the DUEF of their intentions, and as such, are members of the Legacy Circle.

A charitable bequest to the DU Educational Foundation may be expressed in terms of a specific dollar amount, a percentage of an estate, or as a residual or contingency beneficiary. Wills are important to ensure that wishes regarding assets will be observed and that the estate minimizes taxes or other expenses. The following language is acceptable for inclusion in the will of any DU alumnus:

"I hereby give, devise and bequeath to the Delta Upsilon Educational Foundation with headquarters at 8705 Founders Road, Indianapolis, Indiana, the sum of \$ _____; or the following described property: _____, or the residue of my estate, to be used for the general purposes of the Foundation as the Board of Trustees may direct."

Where Do Your Dollars Go?

Every year our donors' faithful and generous gifts go towards the support of many areas that help make our Fraternity stronger. They include:

◆ **The Leadership Institute** – Since 1948, the annual DU Convention & Assembly have been included within what we now know as the Leadership Institute. For 55 years and counting, the Leadership Institute has provided stellar educational programming for DU undergraduate and alumni members.

◆ **The Winter Educational Conference** – First instituted in 1995 as the Presidents Academy, the WEC now includes educational programming for chapter presidents, as well as the vice-presidents of recruitment. The three-day conference is designed to assist these officers in their leadership and management function to help build a stronger Delta Upsilon.

◆ **The Leadership Consultant Program** – This program was established to employ graduate members of DU to serve as representatives of the Fraternity who are trained to assist chapter/colony members and alumni advisors to advance the principles of DU.

◆ **Chapter Services Support** – IHQ serves as a clearinghouse for an assortment of educational manuals, programming services, personnel resources, and management tools. The Chapter Services department supervises the development and implementation of these educational resources.

◆ **Charles Evans Hughes DU Emerging Leaders (DUEL) Program** – Launched at the 2000 Leadership Institute, the DUEL Program is designed for our chapter's newest members (freshmen and sophomores). Participants receive customized training in leadership philosophies, group dynamics, confrontation, service learning, public speaking, and motivation.

◆ **Regional Leadership Seminars** – designed to unite and assist the chapters in a particular province together to share ideas and techniques, and to learn additional innovative membership and chapter leadership skills. DU continues to evaluate its personal growth and membership education curriculum tailored to all DU members.

◆ **Boys & Girls Club** – The partnership with the Boys & Girls Clubs of America and Canada provides yet another way that DU Brothers can become better men while serving others. The Foundation helps the Fraternity in the marketing of these service opportunities to the brotherhood.

◆ **McQuaid Scholarship** – Undergraduate Scholarships and Graduate Fellowships are awarded annually to brothers who apply and are selected to receive \$2,500 grants to help further their education. Established in 2000, the scholarship honors the service of Brother James D. McQuaid, *Chicago '60*.
